About us

Medjugorje Now was founded by faithful believers and lovers of Catholic history, wanting to give special meaning to our Christian symbols and rich heritage. All of our products are made in the small hamlet called Medjugorje, Bosnia & Herzegovina, the place where Our Lady has been appearing for over 40 years to six visionaries, the place from where She has been calling us to prayer, fasting, confession, celebration of the Holy Mass and reading of the Bible. This company was founded in the midst of the Covid 19 pandemic, during which most of the parishioners of Medjugorje became unemployed and without income. Seeing around us so many quality products just waiting to be used, we came to the idea of exporting this beautiful handiwork to people of faith in the United States of America. We offer one of a kind, handmade necklaces and bracelets usually not found in other places. Our goal is simple, to help the local parishioners earn their daily bread, and to provide high quality products that will be put to use in prayer and offered as meaningful gifts for your loved ones.

God bless you!

MEDJUGORJE NOW

"Dear children! Today also I am calling you to prayer. You know, dear children, that God grants special graces in prayer. Therefore, seek and pray in order that you may be able to comprehend all that I am giving here. I call you, dear children, to prayer with the heart. You know that without prayer you cannot comprehend all that God is planning through each one of you.

Therefore, pray! I desire that through each one of you God's plan may be fulfilled, that all which God has planted in your heart may keep on growing. So pray that God's blessing may protect each one of you from all the evil that is threatening you. I bless you, dear children. Thank you for having responded to my call."

Our Lady's message given on April 25, 1987

Thank you so much for viewing our catalog. We have done our best to present our products as clearly as possible.

Through the use of any religious object, we are declaring for ourselves to Whom we belong. These items are a constant reminder of God and His undying love.

All of our products are handmade in the small hamlet of Medjugorje, Bosnia & Herzegovina, by the faithful and prayerful parishioners.

It is a process that involves the whole family, with grandparents and parents teaching the children first how to pray the Rosary, and then how to make it. As you hold our product in your hands, you will feel how it was crafted around a family table, with prayer, joy and love. Thank you so much for your support!

Many blessings to you and your family!

Founders of Medjugorje Now,
Josip Elez and Scott Riggins.
